Billing Records (CDR)

Mike Johnstone - 2024-04-24 - [Billing](#)

Billing Records (CDR)

You are able to search through all your **Call Data Records** (CDR) Billing Records, and you can refine your search by; the Date when the calls were made, Billing Period, Length, and Type of call.

Quick Guide

1. Login into your account.
2. Select **Billing** > **Billing records**.
3. Set parameters to be able to start the Search: Calls made between; For billing period; Billing Group; Calls made from; Type of call; Calls longer than; Only show recorded calls; Calls made to.
4. Click **Search** or **Export CSV** to access your **Billing Records**.

Note: Use Advance search to tighten your search, to make it easier to find particular billed calls.

Your **CDR** includes the following information:

- Account code
- A Party
- B Party
- Channel used
- Destination changes
- Last application
- Call start time
- Call answer time
- Call end time
- Call duration
- Bill seconds

- Call result
- Diverting number
- Unique id for call
- Hang up
